

Orange Place-Setters

Orange Place-Setters

Materials Needed:

- Bowdabra®
- Bowdabra® Bow Wire
- Orange
- Tulle
- Ribbon
- Adhesive Gems
- Gift Tag
- Glue Dots

Step 1

- Begin by wrapping an orange in tulle. Hold the tulle in place with Bowdabra Bow Wire.

Step 2

- Using glue dots wrap a piece of ribbon around the center of the orange. Add several pieces of adhesive gems onto the ribbon.

Step 3

- **To make the bow for the place-setter:** Cut a 24” piece of Bowdabra Bow Wire and fold it in half. Lay it into the Bowdabra. You’ll have a loop at one end and two loose pieces at the opposite end.

Step 4

- Place tulle into the center of the Bowdabra. Scrunch down form an accordion shape. Cut away excess ribbon.

Step 5

- Scrunch ribbon down with the Bowdabra Wand.

Step 6

- While the bow is still in the Bowdabra, thread the two loose ends of the Bowdabra Bow Wire through the loop at the other end.

Step 7

- Pull the Bowdabra Bow Wire tightly while the bow is still in the Bowdabra.

Step 8

- Gently pull the bow out of the Bowdabra. Separate the two loose ends of the Bowdabra Bow Wire and bring them around to the back of the bow. To tie off the bow, pinch the Bowdabra Bow Wire securely against the bow. Twist the bow 4 to 6 times in a clockwise direction.

Step 9

- Fluff the bow and tie it to the top of the orange.

Step 10

- Attach place-setting tag using the left-over Bowdabra Bow Wire. Use a pencil to spiral the Bowdabra Bow Wire to make fun ringlets.
